A photograph of two women, Brooke Summers and Brooklyn Rose, in a bedroom. Brooke Summers, on the left, has long blonde hair and is wearing a light blue button-down shirt with a grey and black plaid tie, which is open to reveal a black sequined bra and matching underwear. She is looking upwards and to the right with an open-mouthed expression. Brooklyn Rose, on the right, has long dark hair and is wearing a blue and white vertically striped button-down shirt. She is leaning over Brooke, looking towards the camera with a slight smile. The background features a colorful abstract painting on the wall and a green plant on the right. The overall lighting is soft and indoor.

How can you not like watching us lick and suck on each other. Pussy tastes great and we really know how to work our tongues. After this shoot we got together that night and stayed over. That night's sex may have been hotter than this!

# Help thy Neighbor

---

I'm a nice guy who's always willing to help someone in need. Especially if she wearing a sexy t-shirt and short shorts. I's never ask for payment, but if it was offered, I'd accept it. I know you would do ther same thing.

---

**Fortunately** for me, my college town is also a major league baseball town, Miami. I'm headed home from the ball game I just attended at Marlin's Park. The Marlins just won and that makes the drive home a lot easier. I live near Miami Beach and work at a downtown high rise as a doorman/security guard. I pulled into my driveway and noticed my neighbor's wife moving boxes around in her garage. She seemed to be struggling with some of the larger ones when I pulled over at the front of her driveway, rolled down the passenger window and leaned across the seat.

I called out. "Hi Francis. Do you need some help with those boxes? You look like you could use some."

"Oh, hi Chris If you got a few minutes, yeah, I could really use some muscle. Hank is at the office again today. Some meetings about the Keys." Hank works for the regional planning commission and ever since the recent hurricanes, has hardly ever been home on the weekends. I've seen Francis putzing around the yard and the garage, but this is the first time I've stopped to actually help her.

"Sure, Francis. Let me park the car and I'll be right over."

I pulled a few feet further down and into my driveway, not bothering to put it into the garage. She had pulled out several brown boxes and some suitcases into the first few feet of the garage. It looked like she was clearing out an area or looking for something.

"Hey, whatcha got going on? Looking for something back there?" I asked as I walked closer to the boxes.

Francis was about 28 years old but looks -- say -- 22. She has told me of many stressful times with Hank over the years, and her face seems to bear out some of that. She had naturally pretty features with a slim athletic body, long dirty blonde hair that she had under a bandana today. She was wearing an oversize t-shirt that was tied in a big knot at her hip and falling off her shoulder, revealing no bra strap.

"Chris, I'm trying to get that treadmill in the corner out so I can set it up on the back patio. I don't get up as early as my

husband to jog but I want to get some kind of exercise during the day. I was going to put it on this little dolly and try to muscle it through the house and to the patio.” she said.

“Looks like I came just in time.” I replied.

She had moved most of the boxes that were in the way. I went over and moved the last few and pulled the treadmill out a little way. I motioned to her to get the dolly and to slip it under the treadmill as I tilted it back. She moved the last couple boxes in front of the path to the interior garage door as I pushed the machine towards it. I maneuvered it to go straight through the door and she got on the other side of the door jamb and helped by lifting the front as I pushed from the back. We managed to get it through the house and out to her patio.

“This is just perfect. Thanks so much. I’ll clean it up and check it out to be sure it’s working tomorrow.” she said and detoured to the kitchen to get us a couple of beers.

I was already moving boxes back to where they were and she came over and offered me the bottle. I took it and we toasted with a dull clunk. She looked directly at me, almost making me embarrassed. I felt a little pang in my jeans as I stole a glance at her now pert nipples poking at the t-shirt. She saw me look but didn’t say anything. We put our beers down and started moving the boxes around in earnest. I would drag in the ones from the driveway and she would put them back, except for the heavier ones that she would direct me to put away. After about a half hour of strenuous output and working up a good sweat, she sat on one of the fuller boxes and patted the one next to her for me to come and sit.

“We make a good team. That went a lot faster and smoother than if I was to do it all be myself.” she said between sips

of her beer. “Thanks, Chris, can I give you a little something for your help, or at least for your time?” she asked as she put her hand on my thigh. I didn’t take that to be a forward act, just a ‘thank you’ gesture.

“It’s Saturday, Francis. I just got back from the ball game because I don’t work Saturdays, so there’s no need to pay me anything.” she laughed.

“I didn’t say I was going to pay you, I said can I **give** you something.” Francis said as she slipped her hand up to my crotch. Now that was definitely a more personal gesture. She got up and went over to the garage door closer and pushed the button. Francis turned the dim ceiling light on and walked back to where I was.

She lowered her head to mine and our lips locked. I could feel her warm tongue sliding into my mouth. As the kiss deepened, she pressed into me. The heat from her body was a catalyst to my already hard cock. She broke off the kiss, took my hand and told me to adjust a few more of the boxes. After another deep kiss, she stepped back and untied the knot in her t-shirt and lifted it up and off. I looked at her beautiful full breasts with half-dollar sized pink nipples as she undid her jeans and dropped them to the floor. She stood in front of me in her cotton panties and nodded.

Francis moved her body to me and pressed it into mine. I felt the softness and heat of her boobs against my chest. She guided me backwards until my knees gave way against the boxes. She climbed onto the boxes and pushed her groin against me, then relaxed and then pushed her groin into me again. Instinctively my hands slid down over her ass, squeezed and pulled her tight to me. I slid my hands under her panties and began squeezing and massaging her ass. As my right hand slid across

---

---

the crack of her ass, I had the first touch of her pussy. It was more than just a little moist. I stretched my arm letting a finger slide across pussy to her clit and stroked it.

I rolled her over carefully and backed off the boxes so I could kneel in front of her. I let my tongue slide down across her chin and neck until I had the first taste of her boobs. With her nipple loosely between my teeth, my

tongue played with it. Then I started down across her belly to her mons. When I reached her panties she was soaking wet and I teased her pussy and clit through her panties. I grabbed her panties at the waistband, lifted her ass off the box and slid her panties off her. I felt her twitch as my tongue slipped into her slit. Then I slid my right index finger into her moist pussy. I only finger-fucked her for a few seconds when her pussy opened up that I had no choice but to add my middle finger into that spot as well. With her clit between my lips, I gently sucked and licked until she arched her hips towards me.

I stood up and unbuttoned my jeans, gratefully releasing my rock hard cock, and pulled them off. I slid my arms under her legs, grabbed her ass and pulled her forward so that she was sitting on the edge of the box. With my cock in my right hand, I ran the head of my cock across her pussy letting it dip in just enough to collect some of the moisture. It was more stimulation than she could bear. "Don't tease me," she moaned. "Put it in."

I did and with each stroke she gasped and moaned. As she massaged her clit, her moans became muffled. I could see her biting her lower lip. Francis blurted out between gasps as her body started shaking again. I slid my cock all the way in and held it there while her body rattled through an orgasm. She looked a little surprised as I reached out and

rolled her over onto her knees. I had her doggie style on the box now. With cock in hand, I came up behind her and slid it back in.

At first she was on her hands and knees and there wasn't much noise out of her. But after a few minutes I could hear the shortness of breath returning. Then the soft moaning started. Finally she dropped her head down onto the box.

Her arm reached back down under her stomach to give my balls a good squeeze and pull of my scrotum skin.

As I doggie fucked her, I slid my finger into her pussy getting it nice and wet before taking it out and rubbing it over her anus. As I massaged the puckered hole, I knew from Francis's moans that she would probably enjoy having me in her ass. My thumb penetrated her butthole an inch past my fingernail while her body didn't wait trembled in another orgasm, holding my cock deep inside her as I waited for her to stop cumming.

I pulled out of her, my cock dripping with her pussy juices. I just murmured, 'mmmmm' as she dropped down in front of me and took my cock into her mouth. With her head bobbing up and down, I could hear her slurping as she sucked me deep and hard. I arched forward, aching to squirt a load of hot cum deep into her mouth. She ran her tongue up and down the shaft of my cock and finished with a little ball licking. With my cock deep in her mouth, I lurched forward grabbing her head between my hands. A month's worth of cum was spewing out of me into the back of her throat. She purposefully swallowed every drop making a soft gulping noise. She got her discarded and wiped whatever she didn't swallow -- and stood.

"Time to go, Chris"

**W**hen these girls are bored and without any men around to entertain them, gorgeous and resourceful Alaina and Alison enjoy coming up with satisfying ways of entertaining themselves. They discovered that there is really no better way to kill time than to see who can cum the most, and so they while away hours attacking each other's pussy with fingers, tongue and toys. Today Alaina surprised Alison by presenting her a fresh-shaved pussy that is lotioned smooth and silky.

## alaina & alison

**WANT TO SEE THESE TWO GET IT ON? WE DO. YOU DO. THE WHOLE WORLD DOES!**

Alison was so excited by the new mons that she kissed candy crazy on her lips and worked her way down to Alaina's sweet pussy. Then Alison licked Alaina's pussy lips before filling her love box full of tongue and fingers, that she enjoyed with every thrust. Then it was Alaina's turn and Alison opened her privates until her thighs quaked in a finger-induced climax. This went on all day and finally, exhausted, the two fell asleep on the sofa in each other's arms. Seriously, who needs boys?

# nothing more beautiful than a rainy day

Cassidy and I hadn't seen each other much since she left for college three years ago. We graduated high school together; I went to work full-time at a daycare center here in the city, and she went off to study acting. Cassidy had come home from time to time, but most of the time we'd miss each other.

We connected on the phone yesterday and said we'd get together today. We had only planned to walk to the mall, but ended up near the park that we spent a lot of time playing in as girls. In the park I spotted the small hillside we used to play on; Cassidy spotted the rain clouds overhead. I persuaded her to ignore them and race me to the tree on top of the hill like we used to do. She would always win, so I snatched off my sandals and took off running before she really agreed. It was about a hundred yards from the road to the tree.

Cassidy caught up and passed me just as we reached the foot of the hill. At the top she proclaimed her dominance over me, again! I was too exhausted to argue. I laid back to catch my breath, as Cassidy talked about how much

she misses this place sometimes. I said I never thought I'd hear her say she missed the city the way by the way she dreamed about getting out of here.

I sat up and started waving the bottom of my short sun dress up and down to cool myself off. Cassidy looked over and a strange

expression came across her face. She kinda stared for a moment, then went down to play in the raindrops that started falling. I wondered what that strange look was about. It was like her eyes locked on me, like she was shocked that I wasn't wearing panties. She and I had discovered the freedom of going without them a couple years ago.

Plus, we had seen each other's naked body plenty of times – in the locker room after gym class, getting ready to go out on dates. We had even gone skinny dipping at the pond together with the Adams twins one time (that was the night we both lost our virginity). Maybe she thought I had stopped not wearing panties (which I will never do), but today was hot and really humid and I needed air circulating down there.

Cassidy came back up and pulled me into the rain with her. We chased each other and laughed about all the games we used to play. I watched her run and turn cartwheels, then I ran and turned a couple of cartwheels myself, but I don't think anyone would call either of ours cartwheels. Suddenly, Cassidy stopped playing.

Cassidy came back up and pulled me into the rain with her. We chased each other and laughed about all the games we used to play.

BLAIR-NTS-09

She kind of walked solemnly back up the hill. I stood there confused for a moment, then went up after her. I asked her if everything was all right.

She nodded her head and said she was just tripping on how much some things have changed. She had on a white t-shirt, which was clinging to her from the rain. I noticed and asked about the tattoo just above the cup of her bra. She told me what it was, and I said I couldn't see it that clearly. She looked at me, then took her left arm out of the sleeve and lifted the shirt over her head. I leaned closer to look at the detail and asked her if it hurt.

Cassidy didn't say anything, but her hand started sliding up my arm. I got a weird feeling, and just froze right there. Her hand slid over my shoulder across my neck to my chin. She lifted my head and started gently kissing my face. Maybe it was all the different scents floating around us – her wet body, the sweet rain dripping on us through the leaves, the country field – or maybe it was the double taboo of this being a girl and a long-time friend, but that weird feeling was getting stronger. I shifted my head so that our lips touched. After a few soft

pecks our tongues met, tentatively then passionately. I was able to define that weird feeling. I was turned on.

Her mouth was warm and moist unlike any man's I had kissed, but there was something delicious to me about her tongue. Part of me wanted to end this and forget it happened, and part of me wanted much more. My boyfriend said he liked the adventurous side of me. I liked using different toys, oils and jellies. I had seen lesbian sex scenes in videos, but actually being with another wom-

an was something I never really thought about doing. Regardless of all that, Cassidy had me so hot I didn't want to think about anything else.

Cassidy broke the kiss and looked at me; first my face, then my whole body. I asked her if anything was wrong. She asked if I knew what I was doing. I said no, and put my hand on her breast. I had never held or touched anybody's breast but my own; Cassidy's were two cup sizes bigger. She took her t-shirt the rest of the way off, showing off her athletic shoulders. I could really only feel the satin of her bra, so I opened the front clasp and pushed it off her shoulders.

I cupped her left breast in my left hand, it was warm and full. Her nipple was getting hard, so I leaned down and kissed it. She let out some soft oohs, and ran her hand over my leg. I love it when my nipples are sucked, so I sucked hers. Cassidy started clutching my leg. The harder I sucked the harder she clutched. Then she let go and took my dress straps off of my shoulders. I sat up and helped her take my dress completely off, exposing my slender body to her in an open field with rain falling around and on us.

I had seen lesbian sex scenes in videos, but actually being with another woman was something I never really thought about doing.

She leaned over and licked my breasts and nipples, eventually taking one then the other completely into her mouth. The feeling that washed over me from the way her tongue slid over them was in there was incredible. In a strange way, I didn't want it to ever stop. It was not like my boyfriend, a whole new feeling for me.

She sat up and we started kissing again. Cassidy held me close to her, pressing our breasts together. I tightened my arms around her, and she started kissing my neck and chest. Her hand slid down my back, found my leg and made its way up my thigh. I turned my body, and opened my legs to give her access to my wet pussy.

Her fingers played around my labia for awhile, then found my clit. I was glad her mouth was over mine, because the squeal I let out would have surely been able to be heard back in town. She pulled her lips away to watch my reaction to the light circles her fingertips were making around my protruding clit. She kept making them faster and faster until my body trembled from an orgasm.

Cassidy smiled and laid me back so she could straddle me. She put her tongue in my mouth and started kissing her way down. I

could feel her hard nipples dragging along my body along the way, which tickled me. She finally reached my clit, and I was on my way again.

Her tongue explored inside me as she sucked my clit and let a finger find its way into my pussy. She slid another finger in and let them play around. The thrusts of her fingers and the pressure of her mouth sent another strong orgasm through me. That was two quick and quiet ones within ten minutes.

She sat up, smiling again, and

asked if I was okay. I nodded yes. When I caught my breath I asked if she wanted me to go down on her. She said not yet, and went to the bottom of the hill to stand in the rain - still topless. I walked up behind her and pressed my naked body into her back. The cool rain and her warm flesh felt good to me. I rested my chin on her shoulder and rubbed my hands over her.

I walked around to face her so that our breasts touched again. We started kissing, and I started unfastening her jean shorts. I unzipped them and slid my hand inside - it was strange not feeling a dick. She pulled my hand out and broke the kiss. I told her I wanted to, which I did. She said not yet again, then dug her own hand inside her shorts. She brought her hand out and put two wet fingers in front of my mouth. I sucked on them, until she slid them out and said we had all summer.

We went back up the hill and sat in each others arms, talking and caressing. She described her first sexual experience with a girl at college and said she decided that she was bisexual. When the rain stopped we got dressed and walked back, with me hoping this would be one of those long, hot summers.

Her hand slid down my back, found my leg and made its way up my thigh. I turned my body, and opened my legs to give her access to my wet pussy...

What type of guys does Dakota Brookes like to date? "I like solitary men. Men who don't mind spending time alone," Dakota explains, pulling aside her frilly panties and showing off her pink. "I like truck drivers, oil rig workers, and guys out in the middle of nowhere doing manly work. The thought of going out to some remote frontier location and sexually servicing all the hard-working men turns me on immensely." The thought of you getting banged by dirty oil-rig workers turns us on too, Dakota.

**W**henever gorgeous Allie and hard-as-nails Tony, knock boots, they like to take things slow in order to enjoy every luscious inch of each other. There were times that he'd eat out Allie's delicious pussy for hours. Allie's soft pussy lips would puff up and her clit would stiffen, and her slit would get so wet that whenever his face was between her legs, he'd get lost in the magic of her mound and time ground to a halt.

**allie**

#### **GETTING SOME PIECE IN NATURE.**

Which is fine for her because she enjoys cumming at least three or four times each time thanks to Tony's lip service. In return she loves giving him his share of oral and tongues him to the very brink of blowing before climbing up and sitting smack down onto his rigid pole. As she rides him, she'll deliberately clench her pussy muscles tighter around his hard chunk of manhood with each pump. This is the time Allie cums again and the deep in vibrations of her pleasure drives Tony right over the edge so that he cums too, with a roar and spilling on Allie with a large load of warm spunk his man juice.

**I don't really consider myself a horny, but I do like hot, steamy sex. At college I was considered to be a sex machine and I wore that as a badge of honor. There was one month that I must have done ten different guys. That's probably a lot by anyone's standard. I'm told I can make cocks erupt just by looking at them because I love hard sex. I hope you'll check out my video and all the girls you've seen in this issue.**
